These submissions are not judged and do not count in points, but they are a great way for members to share something they are proud of and that may not fit a particular category. The photos can be from any time but should be your original work. Feel free to speak up and say a little about your photos when the images are shown at the meeting. Your “Best Shot” digital images are due as late as the day before the monthly meeting. Please limit your submissions to no more than five images. Send to bestshot@louisvillephotographic.org.
