Ted Wathen to speak at November LPS Meeting

Ted Wathen, co-founder and President of Quadrant Photography, in Louisville, will talk about his photographic career at this month's LPS meeting. Mr Wathen has had an extensive photographic career. He received an MFA from the University of Florida, was the founder and project director of the Kentucky Documentary Photographic Project and the principal photographer for the President's Commission on Coal in 1979-80 are among his accomplishments.

He has had several photographic exhibitions. For instance, he has exhibited at the George Eastman House, the International Center of Photography and the White House as well as the Swansons-Cralle Gallery and Frazier History Museum in Louisville.

As a coincidence with this month's LPS topic, "Bridges", Ted partnered with Bob Halliday for an exhibit also entitled "Bridges" at the Cressman Center in 2010.

He has also produced several publications, "The American Coal Miner" in 1980, "Rough Road: The Kentucky Documentary Photographic Project" 1975-77 and

"The Leight House: The Home and Collections of Leonard and Adele Leight" in 2012. He recently published "A Landscape and its Legacy: The Parklands at Floyds Fork"

also this year.

We are looking forward to Mr Wathen's presentation. Please join us this Wednesday night for this enjoyable evening.

LPS Members among winners at the annual Ky Photoscenic Weekend on Oct. 12 – 14 at Cumberland Falls State Park.

LPS members received several awards for the weekend: Friday night awards went to Jeanie Herold – 2nd, George Sherrard – 3rd, and Marshall Johnson, HM in the Scenic category, and Jeanie Herold – HM in the Close-up category. For the Sat. competition for photos that were taken on that day, Honorable Mentions went to Jeanie Herold and Kay Sherrard in the Water category. The highlight of the weekend was speaker Sam Abell from National Geographic. Sam has had two of his Nat Geo photos selected to be part of National Geographic's "Fifty Greatest Photos of All Time." It was an honor to hear his presentation. And he really gave people lots to think about and to put into practice. Hats off to Bill Luster and Tom Hardin from the Courier Journal for putting everything together!

Congratulations to the October Winners!

REMINDERS

Keep submitting Your Best Shot for the monthly meetings

As we have mentioned before there will be one entry per month per member for their Best Shot, and it is open to all members.

This is not a contest but a way for members to share something they are proud of and to provide a way to share images that might not fit a particular category -- so it is wide open. The photo can be from any time but should be your original work, color, B&W, manipulated or whatever. If you elect, your name can be mentioned when the image is shown.

Remember though that the submission guidelines for the monthly digital contest are different than Your Best Shot Digital Image. **Your "Best Shot" Digital Image is due for December by November 28th.**

Here are the differences in submission requirements.

Monthly Digital Submissions-Submit Digital Images to digentries@louisvillephotographic.org.

Your Best Shot Digital Image-Submit through Contacts tab at LPS Website at <http://www.louisvillephotographic.org/contacts>

See "Send Inquiry to" line. State "Do not mention name" if you do not want your name mentioned when displayed.

Alphabet Slide Show Competition in December

For the third year in a row LPS will be having an Alphabet Slide Show Competition. This competition will be in addition to the Zoo photo competition. Simply put together any slide show that represents letters of the alphabet.

Any member can submit an automated digital slide presentation on a thumb/flash drive or DVD that can operate on a Windows computer. The slide show should be approximately three minutes in length.

More details to come.

LPS is looking for a new First Vice President!

Your club needs you!

In order to make this the best club around we are looking for an additional LPS Board Member to serve as 1st VP. The board members meet usually once a quarter to discuss LPS business and plans. If you have ideas about what makes a great LPS, then we would like to hear from you and invite you to get involved.

Please contact Nick Roberts at the next LPS meeting if you would like to become VP.
