## *Marshall Johnson to present to LPS at the April 10th Meeting*

Longtime LPS member Marshall Johnson will be showing 35mm slides of his 1996 trip to Yellowstone National Park and the Grand Tetons and his later trip to Mt Rainier. We sometimes forget that it wasn't too long ago when all of the presentations were done in slides, before digital took over photography. While Marshall has a digital camera, he still shoots film and has a stash of film hidden away for several more years of photography. Marshall has been involved in shooting 40 years or so and has a lifetime membership in LPS. Marshall has travelled the country over the years to such wonderful locations as Banff National Park, in Alberta Canada, Arcadia National Park in Maine and Olympia National Park in Washington.

It should be a welcome look back at the rich colors of film and slide projection by a photographic veteran. Please join us at our monthly LPS meeting on April 10th, to see this informative presentation.

## **New location and format for March for Babies on May 11th.**

*Would you like to help your community and feel great at the same time?*

According to the March of Dimes, "4 million babies were born in the U.S. last year and the March of Dimes helped each and everyone through 75 years of vaccines, research, education and breakthroughs. The March of Dimes' current focus is on prematurity, since 1 in 8 babies are born premature in Kentucky."

Come join us on Saturday May 11th at Waterfront Park. This is a different location from previous years at Slugger Field. Every year the LPS helps out the March of Dimes with their March for Babies. The LPS will be providing candid photographs of many of the walk participants. After shooting, we simply download our jpegs, (not raw) from our memory cards to a laptop, and burn a DVD for the March of Dimes.

This is the key service activity of the LPS and the March of Dimes appreciates the time and effort of the LPS.

So come join us and sign up with Ted Heitzman at the April meeting.

Here are the details:

**When: Saturday, May 11th meet at 8:00 AM**

**Where: Waterfront Park, Big Four Lawn on River Road**

*"There are no bad pictures; that's just how your face looks sometimes."*

— Abraham Lincoln

### Link and Learn

Every month we will try to list any valuable websites or resources that have come our way in the past month.

**A few of us were talking about the issues of copyright and photography. This is a very long video, but it should help you out and answer any questions you may have once and for all. Get your self a cup of coffee first, it's almost two hours long. You have been warned.**

## REMINDERS for upcoming events!

### LPS Field Trip at Miles Park on Saturday April 27th at 10:00 AM

Debbie Brownstein, one of our award winning and published photographers will be leading an LPS group to the new Miles Park at Floyd's Fork in the Eastwood/Middletown area off Shelbyville Road. Look for Debbie's gold Saturn in the first parking lot as you go up the hill from the Shelbyville Rd entrance. The rain date will be the same time on April 28th. [Miles Park Link](#) map.

### May 8th LPS Meeting to be held at Outdoor Photo Gear

As a warmup to possibly changing our permanent LPS meeting location, our May 8th LPS meeting will be at Outdoor Photo Gear at the NEW retail store at 13305 Magisterial Drive off the Old Henry Rd exit off the Gene Snyder.

[Here is the link to their location.](#)

### May 11th March for Babies Event.

See the front page of the newsletter for details.

### LPS Outing at the Sherrard's house on June 22nd.

Hold June 22nd open for a photographic outing at George and Kay Sherrard's house. More details to follow in next month's newsletter. This is a great opportunity to visit with other LPS members and also get some great floral and macro shots. The rain date will be June 29.

## You must "Pay to Play" at our monthly competitions!

It's hard to believe that it's April already. It's easy for the months to slip by.

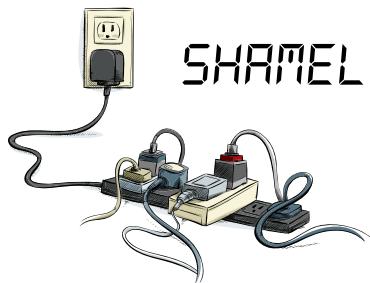

There are several members however, who have not paid their 2013 dues that were due this past January. If you are one of those folks, you will not be able participate in our wonderful monthly competitions.

We don't want that to happen do we? No sirree!

So Steve Hamilton, our wonderful treasurer, is back from his two month hiatus, and will be in attendance at the next meeting to accept your \$35 check. That way we won't miss out at seeing your marvelous images at the next competition.

So simply make your check out to LPS and give to Steve Hamilton at the April meeting.

See you then!

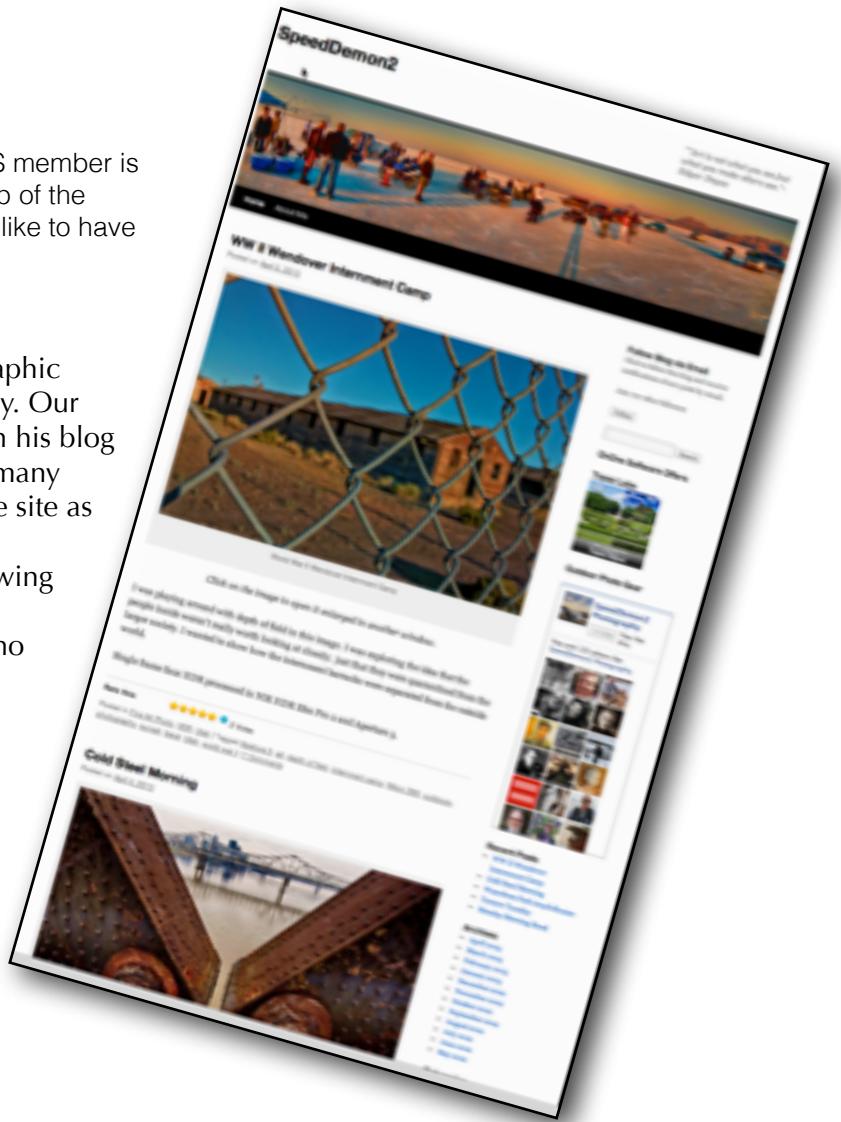

Once in awhile we will present news about a project an LPS member is working on. This month we thought we would start at the top of the organization chart with our prez, Nick Roberts. If you would like to have your project listed in this column, please email your editor, [KDTripp@mac.com](mailto:KDTripp@mac.com) and provide the details of your project.

It is the goal of many photographers, to find a graphic project they enjoy and one that lets them grow creatively. Our President, Nick Roberts has found such a project, both in his blog and the construction of the Big Four bridge. For the last many months, Nick has risen before sunrise to get to the bridge site as the day begins. He has even been hoisted above the construction to get just the right angle and light. His growing friendship with the bridge workers and construction management has been the key to incredible access like no other local photographer.

His daily blog, [www.Speeddemon2.com](http://www.Speeddemon2.com) and his facebook page has been his medium to reach the world with his images.

So be sure to check out Nick's blog above while we look forward to seeing more bridge images exhibited soon in the Louisville area.

Good goin Nick!

## *From Their Files*

In an effort for our LPS members to enjoy monthly presentations even more, when possible, we will try include links to LPS presenters images. This will allow LPS members to see the images in the comfort of their own computer screen, as well as allow members not in attendance to see the images.

Kevin Laundroche, last month's presenter, has given us such a link for us to enjoy. Here are some of the images from Kevin's trip out West. Thanks Kevin!

## About the Louisville Photographic Society

Membership in LPS is open to everyone. You must be a member of LPS to submit photos for competition. The areas of competition are Color Prints, Monochrome and Digital submissions. No more than 6 entries may be submitted, with no more than 2 entries in each group.

A Novice Division has been created for people just entering photography. People entering the Novice Division may not also enter any of the above groups except Digital submissions, where they may submit two photos. Members of the Novice group may submit a total of three prints. The prints may be in color or monochrome. See the LPS website for complete rules, [www.louisvillephotographic.org](http://www.louisvillephotographic.org) Digitals entries must be sent to [digentries@louisvillephotographic.org](mailto:digentries@louisvillephotographic.org), and must be received two weeks before the meeting.
