## An Evening of “Abstracts and Nick” for the March LPS Meeting

At the March 12th monthly meeting, members will be competing in the interesting and challenging “Abstracts” category. Everyone has their own perception when it comes to abstract photography, so it will certainly be a unique competition for all to see.

In addition, our LPS President, Nick Roberts, will lead the evening’s presentation on the Ohio River Bridges Project that he has been photographing since the groundbreaking. He is the key photographer documenting the construction from start to its completion in a couple years. This long term project is just one indication of Nick’s dedication to his craft.

He will also discuss High Dynamic Range (HDR) techniques that he is implementing with the bridge project images. This technique is becoming more popular in fine art photography and many members continue to express an interest in learning more about this process.

Please join us this March 12th at our 7:30 start time for the monthly competition and Nick Robert’s wonderful presentation.

**From the Editor**

As I was preparing this month's newsletter to include the 2013 Year End Award Winners, it occurred to me that these fantastic images deserve more than just a small thumbnail appearance in the newsletter.

This collection of winning images demonstrate the consistent quality of LPS photographers as a group. I am sure you agree that LPS has consistently included some of the finest photographers in the region.

So with that thought in mind, I present to you, the 2013 Year-End Award Winners from the Louisville Photographic Society!

Congratulations to all the 2013 Award Winners!

## 2013 Year End Award Winners

### *Year End Award Winner DVD Available.*

If you missed the February meeting or would like to share the wonderful 2013 winning images with friends, the LPS winning image DVD is available. The music to the slide show is performed by 5 time Grammy Nominee, Susan Ciani.

The DVD is only \$5 and the proceeds go to help us defray costs for food and refreshments at the February meeting.

See Kay Sherrard at the next LPS meeting to get your own copy for your collection.

### *Thanks!!!!!!*

Thanks go to Kay Sherrard, George Sherrard, Al Boice and Margaret Ward for their hard work in preparing the images for final judging and completing the Award DVD.

There is a tremendous amount of work to re-photograph over 150 monthly award winners, title each entry and edit the final DVD for production. Any time something so complex, looks simple, you know it takes a ton of work to accomplish. Thanks from all the LPS members!
