## Learn how to publish your Photo Book at August LPS Meeting

*A great warmup to the upcoming Book of the Year Competition*

*Photo by Ken Tripp*

In anticipation of the Photo Society's first Book of the Year Awards, your editor Ken Tripp and crack photographer David Becker are going to present ideas on how to publish a photo book.

Ken has printed over ten photo books in the last several years using a few different online printers. As you all know Dave has been an LPS award winning photographer with great photographic and post processing skills.

Members will also get a chance to see examples of photo books from other LPS members. This will be a great opportunity to see books of all types from various

online printers. With several online photo book printers in the marketplace, it's not always easy to determine from home the best printers.

Ken will also talk about his book that he hopes to print for the LPS competition. He really has not started on the book, but I think you will find the topic very interesting.

So join us for this Wednesday's nights LPS meeting at 7:30. It should prove to be a very informative evening.

From Al Wollerton:

*"I want to thank all the LPS volunteers who helped out with the Kentucky State Fair Photo check in on Saturday and today (Sunday). I know you all have other things you could have been doing so I really appreciate the support of the club."*

## Start your book for Book of the Year Award!

The guidelines of the 2014 Book of the Year Award are as follows:

1. All images shall be images shot in 2013 or later.
2. The book must be printed after December 1, 2013 and before the December 2014 LPS meeting.
3. The book can be any size with no limit on dimensions or number of pages.
4. The book can be any subject matter.
5. Each member can submit one book per year for judging.
6. The book will be judged at the end of 2014 and awarded in February 2015.

The submitted book will be judged on overall content quality including photography, layout and editing. Later in 2014 we plan to offer a workshop or presentation on how and where to print your own book. We plan on having members who have printed books to bring in samples to show LPS members what can be accomplished online.

More details to come in the coming months! Stay tuned and start planning your book for 2014!

### Photo Shootout Cancelled

Due to the low sign up rate for the President's Shootout is being canceled.

We had Less than ten people RSVPed Yes so we decided that it either wasn't something you wanted or our choice of timing was wrong.

I still think it would be a great way to get people together and shooting so we aren't ready to say it won't happen later in the year.

Steve will speak a little about his concept at our next meeting and we'll also have a short Q & A Session to better clarify the objective for this activity.

Sorry to disappoint those of you who were planning to attend but the logistics and expense are too great to warrant it at this time.

### About the Louisville Photographic Society

Membership in LPS is open to everyone. You must be a member of LPS to submit photos for competition. The areas of competition are Color Prints, Monochrome and Digital submissions. No more than 6 entries may be submitted, with no more than 2 entries in each group.

A Novice Division has been created for people just entering photography. People entering the Novice Division may not also enter any of the above groups except Digital submissions, where they may submit two photos. Members of the Novice group may submit a total of three prints. The prints may be in color or monochrome. See the LPS website for complete rules, [www.louisvillephotographic.org](http://www.louisvillephotographic.org) Digitals entries must be sent to [digentries@louisvillephotographic.org](mailto:digentries@louisvillephotographic.org), and must be received two weeks before the meeting.
