SEPTEMBER GUEST SPEAKER—

JERRY WOLFF

Jerry Wolff will be presenting this month. He will be sharing his experiences, images and reflections from his trip to Cuba where he attended a workshop led by Peter Turnley. His main areas of interest are landscape, cityscape & street photography. Expecting to shoot vintage cars & old Havana this trip instead provided a unique opportunity to connect, through the lens, with the people of Cuba.

YEAR END PHOTO BOOK COMPETITION

Any members who will be participating in the Photo Book Competition will need to turn in their photo books at the November LPS meeting.

4TH ANNUAL PHOTO POTPOURRI

The 4th annual Photo Potpourri was a fun filled day with lots of great photo opportunities and some delicious food. Thank you to David and Cindy Becker for opening their home once again for this fantastic event. Below is a group photo taken courtesy of Bob Dorzback.

DON'T FORGET

Don't forget to submit an entry form when entering the monthly competitions at the LPS meetings.

They are available for download [on our web-site](#).

USE YOUR PHOTOGRAPHY TO BECOME A CITIZEN SCIENTIST

Put your photography to use for conservation projects around the country. NANPA's Conservation Committee has developed this database of ongoing citizen science biodiversity projects which directly benefit from your nature photography. Whether you like photographing songbirds, dragonflies, or even seahorses, there's a project for you! Visit the listed website for further details on the project and how you can get involved to put your photography to use on ongoing conservation projects.

You can enter up to five digital images each month into the “Your Best Shot” category. These submissions are not judged and do not count in points, but they are a great way for members to share something they are proud of and that may not fit a particular category. The photos can be from any time but should be your original work. Feel free to speak up and say a little about your photos when the images are shown at the meeting. Your “Best Shot” digital images are due as late as the day before the monthly meeting. Please limit your submissions to no more than five images. Send to bestshot@louisvillephotographic.org.
