OCTOBER'S SPEAKER

DAN CALDEMEYER

Wednesday, Oct. 9, 7:15 pm at ARG1 Financial

Our October speaker is one of our newer members, Dan Caldemeyer, who has been a professional photographer for more than 40 years. He will speak about what it's like to make a living as a full-time photographer, particularly while on the road years ago in his motorhome (below) on the art-show circuit, and about some of his travels for images. Dan enjoys speaking more informally and invites questions throughout his presentation. He also will bring a few gallery-wrapped canvas giclees on easels to showcase his work.

WHAT'S NEW?

A couple of newsletter updates: Starting next month, we'll run thumbnails of all place winners from the previous month, print and digital. (So another reason to get digital copies of your winning prints to Kay ASAP.) And **check inside on Page 4** for a new fun feature in the newsletter — **The Inquiring Photographer**.

FALL COLOR APPROACHES

The summer heat is about to abate, and fall color won't be far behind. Generally peak color in our area arrives near the end of October, but dates depend on where you are. A handy state-by-state guide, with all of the foliage hotlines and lots of links to other sites, can be found at:

<https://www.tripsavvy.com/a-state-by-state-guide-to-fall-colors-3362305>

BOOK CONTEST COMING UP

Don't forget that entries in the annual Book Competition are due by the November meeting on Nov. 13. Photos can be taken at any time and can have won previous LPS competitions. Tips are available on the LPS site, or ask a member who's competed in the past. They'll be happy to help.

INTRODUCING: THE INQUIRING PHOTOGRAPHER

There are about 90 (!) folks in LPS, but how much do you know about your fellow members?

We'll try to find out by asking one fun question of the membership each month. Send responses (150 words or less unless you have the Greatest Story Ever Told) to glenn@louisvillephotographic.org by 10 days before the next meeting (Sunday, Nov. 3).

+ + + +

This month's question:
**What's the craziest thing
you ever did to get a shot?**

DON'T FORGET TO SUBMIT YOUR BEST SHOT AND SHARE YOUR PHOTOS WITH US!

You can submit up to five digital images each month to the "Your Best Shot" slideshow that precedes the monthly speaker at each meeting.

These aren't judged or count for points, but they are a great way for members to share something they are proud of that don't fit that month's contest category.

The photos can be from any time but should be your original work. Feel free to speak up and say a little about your photos when the images are shown at the meeting.

"Your Best Shot" digital images can be submitted as late as the day before the monthly meeting. Please send to: LPSBestShot@gmail.com
